

**INSTRUCTIONS FOR PHOTOCHEMICAL & PHOTOBIOLOGICAL SCIENCES
SPECIAL ISSUE**

1) The articles should be written according to the journal instructions **and journal template** (available at <http://www.rsc.org/publishing/journals/PP/> “submit an article”). Always include page numbers.

2) **Please, specify in the STEP 1** of the online manuscript submission process that the article is for the “Special Issue of 8TH EUROPEAN MEETING ON SOLAR CHEMISTRY AND PHOTOCATALYSIS: ENVIRONMENTAL APPLICATIONS (SPEA 8)”. You should also include:

- 2 contact authors per article with correct e-mail addresses.
- 4 possible referees per article that you think are sufficiently capable of reviewing your article (name, e-mail and complete address).

3) The maximum length of **each article is 7000 words equivalent** (including abstract, text, figures, tables and references). A figure or table is equivalent to 400 words.

4) The deadline for receiving manuscripts is **July 13th, 2014**. We are going to be completely inflexible on this point, since we have committed ourselves with the editor of the journal.

INSTRUCTIONS FOR **APPLIED CATALYSIS B: ENVIRONMENTAL** SPECIAL ISSUE

- 1) The articles should be written according to the journal instructions available at <http://www.elsevier.com/journals/applied-catalysis-b-environmental/0926-3373/guide-for-authors>. Articles must be submitted online through Elsevier Editorial System (EES) service (<http://ees.elsevier.com/apcatb/default.asp>).
- 2) **Please, specify in the STEP 1** (“Select Article Type”) of the submission process that the article is for the “SPEA 8 Conference” special issue.
- 3) In your **cover letter** you should also include:
 - 2 contact authors per article with correct e-mail addresses.
 - 4 possible referees per article that you think are sufficiently capable of reviewing your article (name, e-mail and complete address).
- 4) The deadline for receiving manuscripts is **July 13th, 2014**. We are going to be completely inflexible on this point, since we have committed ourselves with the editors of the journal.

INSTRUCTIONS FOR **CATALYSIS TODAY** SPECIAL ISSUE

- 1) The articles should be written according to the journal instructions available at http://www.elsevier.com/wps/find/journaldescription.cws_home/500857/authorinstructions. Articles must be submitted online through Elsevier Editorial System (EES) service (<http://ees.elsevier.com/cattod/>).
- 2) **Please, specify in the STEP 1** (“Select an Article Type”) that the article is for the “Special Issue of 8TH EUROPEAN MEETING ON SOLAR CHEMISTRY AND PHOTOCATALYSIS: ENVIRONMENTAL APPLICATIONS (SPEA 8)”.
- 3) In your **cover letter** you should also include:
 - 2 contact authors per article with correct e-mail addresses.
 - 4 possible referees per article that you think are sufficiently capable of reviewing your article (name, e-mail and complete address).
- 4) During the submission process, you will be asked to upload an **invitation letter**; this is the email you received inviting you to submit to this special issue.
- 5) The maximum length of each article is **7000 words equivalent** (including abstract, text, figures, tables and references). A figure or table is equivalent to 400 words. **Beyond this limit, the paper will be rejected.**
- 6) The deadline for receiving manuscripts is **July 13th, 2014**. We are going to be completely inflexible on this point, since we have committed ourselves with the editor in chief of the journal.
